HMS Plus CBO

The key benefit of CBO products are that they return 100% of the base policy's Cash Back Option premiums, less any outstanding loan balance, at the end of the Cash Back Option period if the policy is terminated. In addition, in the two to four years prior to the end of the Cash Back Option period, the Cash Surrender Value is guaranteed to be a percentage of the cumulative premiums paid on the base policy. These percentages are shown below. The surrender request to obtain any Cash Surrender Values must be received within 60 days of the Cash Back Option policy anniversary date. If the policyholder does not surrender at this time, the full Cash Surrender Value may no longer be available.

Sales Solution

The CBO Mortgage Payoff

Scenario

John and Chelsea are young, married professionals with a \$150,000, 30-year fixed mortgage. They feel comfortable with their current mortgage payment, but could not afford it if either of their incomes was no longer available.

HMS Plus CBO Solution

To help provide protection for their home and enough money to cover each other's final expenses, John purchases a \$175,000 HMS Plus CBO policy at a rate of \$109.00 a month, and Chelsea purchases a \$175,000 HMS Plus CBO policy at a rate of \$105.94 a month. For a total of \$214.94 a month, John and Chelsea each have \$175,000 of coverage for 25 years.

(Based on a 31-year-old male, non-nicotine and a 30-year-old female, non-nicotine.)

Outcome

At the end of 25 years,¹ each surrenders the policy to utilize the Cash Back Option.² John receives a lump sum of \$32,700 and Chelsea a lump sum of \$31,782. Together they can use this \$64,482 any way they choose.

They still have \$42,670 left on the principal balance of their mortgage,³ so they use that amount to pay off their mortgage five years early and they still have over \$21,812 to spend as they wish.

¹Assuming the policy and rider stay in force and monthly premiums are paid.

²HMS Plus CBO: At the end of the Enhanced Surrender Value Period (Cash Back Option Period), the Enhanced Surrender Value (Cash Back Option Value) of the policy will equal the total amount of premiums paid for the base policy, not including any premiums paid for riders.

³Assuming a 5% interest rate on the 30-year fixed mortgage and no prepayments.

Decreasing Term

HMS Plus Payment Protector

Traditional life insurance products provide a lump sum death benefit to beneficiaries. HMS Plus Payment Protector offers a different way to help protect your clients and their assets.

- \$400,000 Maximum face amount (no saliva)
- Death benefit paid in monthly income payments
- Simplified issue - no medical exams¹
- 5 term periods available
- Personalize coverage with optional riders for Accidental Death and Disability
- Protection for mortgage, taxes, and insurance payments
- Lump sum payment alternative

How Does Payment Protector Work?

The Insured purchases a Payment Protector policy and chooses a Monthly Income Death Benefit Period.

If the Insured dies during the Monthly Income Death Benefit Period, the beneficiary has two options:

- Receive a monthly income payment in the amount established when the policy was issued until the end of the Monthly Income Death Benefit Period (guaranteed to be no less than 24 months). At the end of the Monthly Income Death Benefit Period, monthly income payments stop.
- Choose a lump sum benefit (amount calculated based on date of death).

¹Issuance of policy may depend upon answers to medical questions.

Death Benefit: \$10,000 or \$25,000. Rider is optional and available for an additional cost.

Sales Solutions

Mortgage, Interest, & Principal Scenario

A 40-year-old male, with a 30-year, \$100,000 mortgage, is looking for coverage to help protect his family. He'd like to cover his mortgage payments for the next 30 years, at a premium of under \$45 a month.

He first gets a quote for a traditional 125 term policy:

125 Term Policy, 30-year, \$100,000 Face Amount

Monthly premium: \$56.62

The premium is higher than he wants to pay. An alternative, more affordable solution could be Payment Protector.

Payment Protector, 30-year Monthly Income Death Benefit Period

Monthly premium: \$43.53

Monthly income payments to beneficiary upon death: \$449

The Payment Protector policy is less expensive, and it would provide a monthly income of \$449 to the beneficiary that could help cover monthly mortgage principal and interest payments. The beneficiary also has the option to take a lump sum death benefit upon the Insured's death.

Income Replacement Scenario

Payment Protector is also available with an Income to Age 70 option. It does not matter when the policy is issued or when death occurs, income will be provided upon the Insured's death. Payments will continue until the Insured would have been 70.

For example, a male, age 30, wants to provide monthly income replacement of \$1,000 for his spouse should he die before they reach retirement.

Monthly Income Death Benefit Period – To Age 70

\$79.71 Monthly premium

\$1,000 Monthly income death benefit if death occurs before age 70

\$258,137 Initial Decreasing Lump Sum Death Benefit

The policy will expire at age 70.

With Payment Protector, the need for income replacement until retirement has been met with \$1,000 monthly income payments until the end of the Monthly Income Death Benefit Period.

This rider is added automatically at no additional cost. Please see Product Specifications for death benefit amounts. This Rider terminates at the end of the level premium period. This benefit provides for the payment of an additional benefit in the event of the Insured's death, as a result of an accidental injury within 180 days of the injury. An additional amount will be paid in the event of the Insured's death, as a result of an accidental injury while riding as a fare-paying passenger on a common carrier.

An accidental injury is defined as an accidental bodily injury sustained by the Insured, which is a direct result of an accident, independent of disease, bodily or mental illness, infirmity, or any other cause.

A common carrier is a public passenger conveyance operated by a duly licensed common carrier for regular passenger service by land, water, or air with a definite schedule of arrivals and departures.

Permanent Protection

HMS Plus Continuation

HMS Plus Continuation is an affordable simplified issue product that offers your clients a permanent policy, but at the cost of a term product. Your client selects the initial Level Death Benefit Period (15, 20, 25, or 30 years). At the end of that period, the death benefit will decrease to an amount equal to 10% of the initial Level Death Benefit, and will remain level for the life of the policy.

- › HMS Plus 125 product with the addition of life insurance continuing at 10% of initial face amount after initial Level Death Benefit ends
- › Premiums are guaranteed to remain level for as long as the policy is in force
- › The policy changes with clients as they age. The need for higher coverage in the younger years, and less in later years
- › Instant decision eApplication available
- › Non-medical through \$400,000 (saliva test \$250,001 to \$400,000)
- › No mortgage required
- › Living Benefits (Critical Illness, Chronic Illness, Terminal Illness) included at no additional cost for the life of the policy

How Does it Work?

A 35-year-old healthy male with a 30-year, \$100,000 mortgage wants insurance to help protect the mortgage should anything happen to him. He is hesitant to purchase term insurance; if he outlives his coverage, he'd no longer be insured at age 65.

For a few dollars more than a traditional term policy, he could purchase an HMS Plus Continuation policy and be covered for life. He can help cover the mortgage now, and at the end of the initial Level Death Benefit Period, he'll have \$10,000 of life insurance coverage. HMS Plus Continuation provides coverage now and his future needs.

How Does it Work?

A 45-year-old healthy male with a \$100,000 mortgage has a \$449 monthly mortgage payment. In the event of his death, he wants his family to be able to continue making this mortgage payment. He is hesitant to purchase term insurance; if he outlives his coverage, he'd no longer be insured at age 75.

To meet this need, he can purchase a Payment Protector Continuation policy with a 30-year Monthly Income Death Benefit Period and be covered for life.

- Receive a monthly income payment of \$449 until the end of the Income Death Benefit Period.
- Choose a lump sum death benefit based on the date of death.

If he lives beyond the Monthly Income Death Benefit Period, the policy will continue with a death benefit equal to 10% of the Initial Lump Sum Death Benefit.

For a few dollars more, he could purchase a Payment Protector Continuation policy and be covered for life. He could cover the monthly mortgage now, and at the end of the Monthly Income Death Benefit Period, he'll have \$10,000 of life insurance coverage.

Living Benefits

If your client is diagnosed with an unexpected illness, lost income and medical expenses can take a toll on a family budget. The HMS Plus Living Benefit Riders can help offer peace of mind at a critical time. These benefits give your clients access to an early (accelerated) payout of the policy death benefits if they are diagnosed with a Critical, Chronic, or Terminal Illness.

The best thing is, these Living benefits are included with an HMS Plus 100, HMS Plus 125, HMS Plus CBO, or HMS Plus Continuation policy at no additional cost to your client. Having access to this benefit could make an important difference in the quality of life for them and the lives of their loved ones.

Critical Illness Accelerated Death Benefit Rider

Rider Series 2190/2195

A Critical Illness qualifying event is when a physician certifies that the Insured has had one of the following conditions in the last 12 months:

- ▶ Amyotrophic Lateral Sclerosis (ALS)
- ▶ End Stage Renal Failure (Kidney Failure)
- ▶ Invasive Cancer
- ▶ Major Organ Failure
- ▶ Myocardial Infarction (Heart Attack)
- ▶ Stroke

Chronic Illness Accelerated Death Benefit Rider

Rider Series 2191/2196

A Chronic Illness qualifying event occurs if, within the last 12 months, a physician has certified that for a continuous 90-day period the Insured:

- ▶ is unable to perform (without substantial assistance from another person) at least two activities of daily living due to loss of functional capacity; or
- ▶ requires substantial supervision to protect himself/herself from threats to health and safety due to severe cognitive impairment.

Terminal Illness Accelerated Death Benefit Rider

Rider Series 2192/2197

A Terminal Illness qualifying event occurs when a physician certifies that the Insured has a terminal illness. A terminal illness is defined as a medical condition that, with a reasonable degree of medical certainty, will result in the Insured's death within 12 months from the date the physician signs the statement of proof of terminal illness.

These riders are added automatically and at no additional cost to HMS Plus 125, 100, HMS Plus CBO, and HMS Plus Continuation.

These benefits provide an accelerated death benefit, payable as a lump sum, upon the occurrence of a qualifying event. The request for the Accelerated Death Benefit must be in writing and Americo must receive the request while the policy is in force.

For HMS Plus 125 and 100 policies, the maximum initial Requested Acceleration is 100% of the face amount as of the policy's issue date. Partial accelerations are available for these policies. If a partial acceleration is elected, the Requested Acceleration amount must be a minimum of \$5,000, and the remaining policy face amount must be a minimum of \$20,000. Requested Acceleration amounts will be reduced by an administrative charge and an actuarial discount, based on the insured's life expectancy at the time of the request.

If a Terminal Illness Rider benefit is paid or if a Requested Acceleration equal to 100% of the face amount as of the policy's issue date is paid, then all living benefit riders will terminate immediately. If a partial acceleration is paid via the Critical or Chronic Illness Rider, then all living benefit riders will remain active. The policy face amount will be reduced by the amount of the Requested Acceleration, and the policy's cash values will be reduced proportionately.

For HMS Plus CBO policies, the Requested Acceleration must be 100% of the policy's face amount; partial accelerations are not available.

How does it work?

Requested Acceleration amounts will be reduced by an administrative charge and an actuarial discount, based on the insured's life expectancy at the time of the request. Calculated benefits may result in no payment to the Insured

Disability Income Rider

Rider Series 2145

The Disability Income (DI) Rider allows the Insured and the Additional Insured (spouse) to receive monthly benefit payments in the event of a total disability. A 90-day waiting period applies, which means disability income benefits begin to accrue after the Insured has been totally disabled for 90 continuous days, and the Insured has met all of the requirements for benefits under this rider. No benefits are payable unless the period of total disability lasts longer than 90 days. Benefit payments begin to accrue on the 91st day. A

120-day waiting period applies for clients with policies issued in Maryland. Benefits are paid monthly, in arrears. See the policy for complete details.

Specifications

Total disability must:

- ▶ begin while coverage is in effect,
- ▶ continue for at least three months,
- ▶ result from injury or disease, and
- ▶ keep the Insured person from performing the material and substantial duties of his or her regular occupation while not engaged in any other occupation for wage or profit, as a result of the injury or disease.

Issue Ages: 20-60, age last birthday

Minimum Benefit: The minimum benefit is \$100 per month.

Maximum Benefit: The maximum benefit is the lesser of \$2,000 per month or 2% of the base face amount. Benefit amounts are limited to a maximum of 60% of the applicant’s gross earned monthly income. For Federal, state, county, and city employees, benefit amounts are limited to a maximum of \$1,500 per month.

The DI benefit issued will coordinate with other individual DI insurance in force on the applicant. The maximum benefit issued will be based upon the total DI benefits on the applicant, not exceeding the percentages stated above. Group DI insurance will not be included in determining the amount of coverage currently in force on the applicant.

Maximum Benefit Period: Benefits will be paid for a maximum of one to two years, depending on which option is chosen at time of issue. After a period of total disability, if the Insured returns to work for a period of less than six months, any subsequent total disability resulting from the initial cause or a related condition(s) will be considered a part of the initial total disability.

Termination: DI Rider coverage terminates upon:

- ▶ surrender or termination of the base coverage,
- ▶ the coverage anniversary following the Insured’s 65th birthday, or
- ▶ the month anniversary following the receipt of written request to terminate the rider.

Claiming the Benefit:

The Insured must send us satisfactory written notice of total disability. We must receive such notice:

- ▶ while the rider coverage is in effect for the Insured,
- ▶ during the Insured person’s life,

- ▶ while the Insured is totally disabled, and
- ▶ within 30 days of becoming totally disabled.

In addition to the notice, proof of total disability must be furnished, and all requirements for claiming the benefit must be met. See contract for details and exceptions.

Note: This rider can be added to Additional Insured Term Insurance Rider for an additional cost.

Proof of Continued Total Disability: We may periodically require proof of continued total disability. We may also require that a physician of our choice, at our expense, examine the Insured. Monthly benefits will end if the Insured does not provide satisfactory proof within 30 days of our request, if the Insured is no longer totally disabled, or if the policy is surrendered or terminated. The Insured will agree to notify us as soon as possible after the Insured is no longer totally disabled.

Underwriting

Important Note Regarding Americo's Underwriting Standards

The following information is a subset of Americo's underwriting guidelines and does not reflect the full underwriting standards of Americo. Because Americo's underwriting guidelines are extensive and cannot be condensed for practical field use, this information provides a list of common factors for agent consideration when screening clients for Americo products. The information provided is to assist you in understanding the guidelines used by Americo when reviewing applications. These are guidelines only. Each case underwritten by Americo is unique and all factors from all sources are taken into consideration before a final underwriting decision is made. Each application is reviewed based on the circumstances and conditions contained therein and may involve additional requirements. The underwriting staff at Americo reserves the right to deviate from these guidelines as may be appropriate for the proper underwriting of any case. This information and the full underwriting guidelines used by Americo are subject to change.

Insurable Interest

The first step in assessing life insurance risk is establishing insurable interest, which must be determined before the life insurance policy is approved. An insurable interest exists when the Owner (sometimes referred to as the Applicant) is likely to suffer some financial loss or detriment if the Insured dies.

Most often, life insurance contracts are written naming the Insured as the Owner of their own policy. In this situation, the Insured is said to have an unlimited insurable interest in their own life. Other close personal relationships may also have an insurable interest in the life of the Insured and are able to apply for and own life insurance on another individual. Some of these personal relationships include:

- ▶ Spouse
- ▶ Parent (of minor children)
- ▶ Child, Brother, or Sister (in some circumstances)
- ▶ Grandparents (with parent permission)
- ▶ Legal Guardian and Conservator (with accompanying court documentation)

Certain Business and Financial relationships may represent special instances of limited insurable interest as well. The purpose of the insurance may also be accomplished by the way the beneficiary designation is written.

Some examples of these situations are:

- ▶ Creditor (the amount of insurance must not exceed the indebtedness)
- ▶ Key Person (the general rule for the amount of insurance is no more than five times the Proposed Insured's annual income)
- ▶ Principal stockholders
- ▶ Employer to key employee
- ▶ Business partnerships

Ownership in all cases must be prudent and reasonable. Examples of questionable ownership would be:

- ▶ Application requests owner to be the parent of an adult, married, Proposed Insured without reasonable explanation.
- ▶ Applicant requests owner to be the adult child of an adult Proposed Insured without reasonable explanation.

If proper insurable interest has been established, beneficiary designations on the application are generally

acceptable as written. Usually, if the Insured is the Owner of their own policy, they are free to name a beneficiary with few restrictions. Please contact Underwriting if you have questions.

Plan Eligibility

Eligibility will be determined by a number of factors. Among them are the applicant's prescription and MIB Database histories, answers to the application questions, and previous Amerigo application information.

Underwriting Health Changes

Any change in the health of the proposed insured that occurs after the original application date, but before coverage becomes effective, must be reported to Amerigo. Provide detailed information regarding the health change directly to Underwriting through the Agent Services.

Medical Check-Ups

Whether the medical check-up is for periodic wellness exams or symptomatic in nature, it is important to provide complete details on the application. You should list the reason for the exam, date, and results of the check-up for all proposed insureds. Always provide the name, address, and telephone number of the attending physician or medical facility. If there is a patient identification number such as a Kaiser Permanente number, please include that information on the application as well.

Military Guidelines

If deployment orders are pending, or have been received (verbal or written), please indicate and supply the location of the next duty site for underwriting consideration. **Please note, agents are not permitted to sell Amerigo products on military bases. In the event of any future military conflict, these guidelines may be discontinued.**

Foreign Nationals and Foreign Travel

Coverage is not available for foreign nationals visiting, those temporarily residing in the United States, or individuals not residing legally in the United States. Consideration may be given to non-citizens who have established legal, permanent residency in the United States and are applying for citizenship. One of the following documents **must** be submitted with the application. **No exceptions will be made.**

- ▶ Copy of the applicant's Green Card or Permanent Visa (B1 - B2 Visas not acceptable)
- ▶ Copy of U.S. Citizenship and Immigration Services Form I-551

Underwriting reserves the right to use any and all information developed in making a determination of eligibility under these guidelines.

Foreign Residence and Travel – United States citizens making short trips (4 weeks or less) out of the country for business, pleasure, or educational purposes are usually acceptable risks, depending on their destination. Please complete a Foreign National and Foreign Travel Questionnaire for applicants who anticipate future foreign travel and submit it at the time of application. The Foreign Travel Questionnaire is not required in all states. Please contact your underwriter to determine which states do not require this information and form.

Medical Requirements

Amounts	All Issue Ages
\$25,000-250,000	Non-medical
\$250,001-400,000	Agent Collected Saliva*

**HMS Plus Payment Protector face amounts \$350,001 - \$400,000 saliva required.*

In every case, please provide the name, address, and telephone number of the applicant's personal physician plus the date, reason, and results of the last check-up.

Medical History Questions

Read the instructions for the Medical Questions in Section 7 very carefully.

Questions 1a and b are the Nicotine History questions:

- ▶ These have been written to allow the Proposed Insured to identify their current and past Nicotine use.
- ▶ Any use identified by a check box entry should be quoted Nicotine rates.
- ▶ If the "No nicotine products" check box is checked, Non-Nicotine rates may be quoted.

ALL Questions are 'knock out' health questions.

The entire question should be read and understood, and then answered carefully.

Questions 4 through 13 and Section 8 are general health questions:

- ▶ If the initial question is answered "No", none of the additional information, or drill down questions, located below require completion.
- ▶ If the initial question is answered "Yes", then all drill downs for that question are required.

The need for specialized medical questionnaires has been eliminated, except in a few instances. The questions on the application are sufficient for underwriting known risk factors. If additional information is obtained from 3rd party sources (as mentioned above) that information will be obtained in the most efficient way possible. If a specialized form is required, you will be given specific direction on the application.

Agent Collected Saliva

The saliva specimen is collected by the agent during the sale. The process is simple:

- ▶ You must complete a brief training and obtain your certification. Please go to www.salivatrain.com. The entire process should take only 10 minutes.
- ▶ The specimen is collected by you and sent to the lab in a special postage-paid envelope provided in the saliva kit.
- ▶ To order your saliva kits or ask any questions regarding the process, please contact Clinical Reference Laboratory (CRL) at ilscskits@crlcorp.com. When ordering saliva kits, include your name, address, phone number, and indicate you are with Americo. Once the order is placed, CRL will send an email confirmation.
