# Apply for your policy in three easy steps...

Congratulations on your decision to protect your financial future with insurance from Assurity Life Insurance Company. Assurity has a legacy of helping people through difficult times for generations and providing "best in class" service to our policyholders.

Thank you for completing the initial insurance paperwork with your agent. You will make no premium payment at this time.

### **Step 1: Telephone Interview**

You will be contacted by phone to schedule a time to provide your medical history to an experienced telephone interviewer. We will work with your schedule so that your interview (approximately 20-30 minutes) is private and convenient for you. The information will be kept strictly confidential and used only for this application.

We strongly recommend that you gather the following information so the interview will go quickly. Please be prepared to provide:

- ✓ Medical information, including physicians' contact information; hospitalizations, office visits and treatments; and prescription drug history over the last two years. Also be prepared to give the drug name, dosage and frequency.
- ✓ Company names, insurance types and coverage amounts of your other life or health insurance policies.
- ✓ Specific financial information (completed tax returns for the last two years).

Depending on the type of insurance for which you are applying, you may also need to provide the following:

- ✓ Medical history for your parents and siblings
- ✓ Driving history
- ✓ Leisure activities

Insurance protection is an important component in securing your financial future. Thank you for choosing Assurity for your insurance needs.

### **Step 2: Schedule Exam**

During the phone interview, your interviewer may need to schedule a mini-medical exam, which may include providing blood and/ or urine samples, at your convenience. A licensed professional can provide a short exam at home or work, or you may visit one of our affiliated medical facilities.

### **Step 3: Policy Approval & Delivery**

Once Assurity has reviewed your information, your agent will inform you of the status of your paperwork. If your request is approved, your agent will deliver your policy to you, along with the completed application for you to review and sign. The premium and/or an automatic bank withdrawal form will be collected at this time.

Please feel free to call us at (877) 611-4701 if you haven't received a phone call from our interview unit within five business days of completing your paperwork.

#### **Interview hours are:**

Monday through Thursday: 7 am–9 pm (Central)

Friday: 7 am-6 pm (Central) Saturday: 9 am-1 pm (Central)

NOTE: Coverage cannot be bound. Do not send payment with application.

### **Telephone Interview Information**

Assurity may require that you complete a confidential telephone interview as a part of your application for insurance. The interview will be conducted by a trained professional and may include (but is not limited to) the following topics: occupation, job history, income, personal and business financial information and medical history. All information obtained will be used for underwriting purposes only and will not be released without your written consent.

### NOTICE AND CONSENT FOR BLOOD TESTING

### BLOOD TESTING MAY INCLUDE AIDS VIRUS (HIV) ANTIBODY/ANTIGEN TESTING

**INSURER:** Assurity Life Insurance Company • P.O. Box 82533 • Lincoln, Nebraska 68501-2533 **EXAMINER:** To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory. The consent you give by signing this form authorizes the insurer to withdraw blood and order laboratory tests only in regard to your present insurance application. Due to the serious nature of HIV-related illnesses, you may wish to obtain counseling, at your expense, prior to undergoing the HIV-related test. Information regarding alternative HIV-related testing and counseling is provided by the Pennsylvania Department of Health and by local health departments. You may secure additional information on testing and counseling from the Department of Health at 717-783-0479. Unless precluded by law, tests may be performed to determine the presence of antibodies to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HTLV-III—Western Blot Test Protocol helps to identify AIDS viral particles. These tests are extremely reliable. Other tests that may be performed include determinations of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes and immune disorders. All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved solely in the underwriting process such as its affiliates, reinsurers, employees or contractors. If the Insurer is a member of the Medical Information Bureau (MIB, Inc.) and if the test results for HIV antibodies are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only nonspecific blood and/or urine test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you. If your HIV test results are normal, no routine notification will be sent to you. You may request notification of negative HIV test results. If the HIV test results are other than normal, the Insurer will contact the physician; Pennsylvania Department of Health; local health department; or community-based organization (from a list prepared by the Pennsylvania Department of Health), whichever you designate. Your consent may be revoked at any time except to the extent the Insurer making a disclosure has acted in reliance on your consent. Positive HIV antibody test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities have concluded that persons who are HIV antibody-positive should be considered infected with the AIDS virus and capable of infecting others. Positive HIV antibody test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary. However, no exclusion rider or endorsement will be applied. In the event of a positive HIV test result, I authorize Assurity Life Insurance Company to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes: Name and address of physician; the Pennsylvania Department of Health; local health department; or community-based organization (from the list prepared by the Pennsylvania Department of Health), whichever you designate to receive notice of a positive result: Name Address I have read and I understand this Notice of Consent for Blood Testing (which may include HIV antibody testing). I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test/screening results as described above. I understand that I have the right to request and receive notification of negative HIV test results. I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original. ## Life Insurance or Annuity REPLACEMENT NOTICE

### NOTICE REGARDING REPLACEMENT

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy, which has been in existence for a period of time, may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could (contest the policy because of a material misrepresentation or omissions concerning the medical information requested in your application, or) deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options, which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages, which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are canceling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.

# Accelerated Death Benefits Rider DISCLOSURE STATEMENT

### ACCELERATED DEATH BENEFITS PAID UNDER THIS RIDER WILL REDUCE THE POLICY'S DEATH BENEFIT, PREMIUMS AND POLICY VALUES, WHICH INCLUDE, BUT ARE NOT LIMITED TO, THE CASH VALUE.

### BENEFITS PAID UNDER THIS RIDER MAY BE TAXABLE AND ARE NOT INTENDED TO QUALIFY FOR FAVORABLE TAX TREATMENT. YOU SHOULD CONSULT YOUR TAX ADVISOR TO DISCUSS THIS.

This rider provides an accelerated payment of life insurance proceeds under conditions specified in this rider. It is not intended to provide health, nursing home or long-term care insurance. Cash values, loan values, if any, and death benefits will be reduced if you receive an accelerated benefit. Benefit payments may adversely affect qualifications for Medicaid or other government benefits or entitlement payments.

#### **DEFINITIONS**

Accelerated Amount means the portion of the Eligible Proceeds You elect to accelerate.

Benefit Amount means the portion of the Eliqible Proceeds You elect to receive, adjusted by the Discount Factor.

Discount Factor means a factor that is applied to the death benefit being accelerated on the Election Date, which accounts for:

- reduced life expectancy;
- insured person's age and gender (unless this policy was issued on a gender neutral basis, in which case male rates will be assumed);
- expected future premiums;
- current dividends, if any;
- interest rate. The maximum interest rate used will be no more than the greater of a) the current yield on 90-day treasury bills or b) the current maximum adjustable policy loan interest rate based on Moody's Corporate Bond Yield Averages—Monthly Average Corporates published by Moody's Investor Service, Inc., or successor thereto, for the calendar month ending two months before the date an accelerated payment is requested; and
- a one-time processing charge not to exceed \$250. We will inform You of the charge when You request this rider's benefit.

**Election Date** means the date We receive Your application for the Benefit Amount.

Eligible Proceeds means the lesser of \$250,000 or the policy Face Amount in force plus any paid-up additions and less any Loan Balance.

Immediate Family means the spouse, father, mother, children or siblings of an Insured Person.

**Nursing Home** means an institution which is not primarily a residential facility and is either:

- a Medicare-approved skilled nursing facility;
- state-licensed as a skilled nursing or intermediate care facility; or
- meets all of the following:
  - is state-licensed as a Nursing Home;
  - primarily provides nursing care;
  - is supervised by a registered or licensed practical nurse;
  - keeps daily patient medical records; and
  - records and controls all medications it gives.

**Permanent Confinement Condition** means a medical condition that is expected to require continuous permanent confinement in a Nursing Home for the remainder of an Insured Person's lifetime. Such a condition must be certified by a Physician.

**Physician** means a doctor of medicine or osteopathy who is duly licensed and practicing medicine in the United States and who is legally qualified to diagnose and treat sickness and injuries. Such Physician cannot be a member of an Insured Person's Immediate Family or business associate, and must be providing services within the scope of his or her license/specialty. Practitioners other than those named above are not Physicians.

Terminal Illness means a condition that results in an expected life span of 12 months or less. Such a condition must be certified by a Physician.

### RIDER BENEFIT

**Payment of Accelerated Benefits.** If an Insured Person qualifies for the Terminal Illness Option or the Permanent Confinement Option, We will pay You the Benefit Amount. Payment will be made immediately upon receipt of due written proof of eligibility at Our administrative office. The Benefit Amount will be paid to You or Your estate unless You have otherwise assigned or designated benefits. We reserve the right to require the consent of a spouse, an Insured Person or other Beneficiaries.

If the qualifying Insured Person dies after You elect to receive the Benefit Amount, but before any such benefits are received, the election shall be cancelled and the death benefit paid pursuant to the policy.

Any acceleration of benefits paid will not reduce the benefit of other riders attached to Your policy, if applicable.

**Terminal Illness Option.** This option allows You to receive the Benefit Amount as a lump sum if an Insured Person is diagnosed with a Terminal Illness. The lump sum shall be at least equal to the acceleration percentage multiplied by the difference between the current policy cash value and any outstanding policy loans. If You do not want to receive the payment in a lump sum, You can elect to be paid in 12 equal monthly payments. If You take 12 payments, We will pay interest of not less than one percent per year. If the qualifying Insured Person dies before all 12 payments are made, We will pay You or Your estate the present value of future payments based on the interest rate used to calculate the original payments.

Permanent Confinement Option. This option allows You to receive the Benefit Amount as a lump sum if an Insured Person:

- is diagnosed with a Permanent Confinement Condition; and
- has been confined to a Nursing Home for 90 consecutive days before You elect to receive the Benefit Amount.

The lump sum shall be at least equal to the acceleration percentage multiplied by the difference between the current policy cash value and any outstanding policy loans. If You do not want to receive a lump sum payment, You can be paid level monthly payments over a period of your choosing provided it adheres to the requirements detailed in the table below. We will pay interest of not less than one percent per year.

Attained Age of Insured Person	Maximum Payment Period in Years
Under 64	10
65 – 67	8
68 - 70	7
71 – 73	6
74 – 77	5
78 – 81	4
82 – 86	3
87+	2

We can set a monthly maximum benefit. If the qualifying Insured Person dies before all payments are made, We will pay You or Your estate the present value of future payments based on the interest rate used to calculate the original payment.

#### RIDER REQUIREMENTS

**Election Requirements.** To elect this rider's Benefit Amount, You must:

- submit an application for benefits to our administrative office; and
- provide us with a Physician's statement confirming eligibility for this rider's benefits.

Upon request to accelerate the benefits We will provide You and any irrevocable Beneficiary a statement demonstrating the effect of acceleration of benefits on Your policy's death benefit, cash value, premiums and policy loans. This information will be provided to You and any irrevocable Beneficiary again upon payment of the Benefit Amount.

We will provide You with an application for benefits within 15 days of Your request. If We are unable to furnish You with an application within 15 days of Your request, it will be considered that You complied with the election requirements if You submit a Physician's written certification that an Insured Person has a Terminal Illness or a Permanent Confinement Condition.

**General Requirements.** You cannot elect to receive the Benefit Amount:

- if Your policy is on extended term insurance; or
- if You are required by law or government to use this rider to pay creditors' claims or to get a government benefit.

### **EFFECT ON POLICY**

Following the payment of the Benefit Amount, the policy will stay in force at a reduced amount. The policy's death benefit will be reduced by the Accelerated Amount, but the policy's remaining Face Amount cannot be less than \$10,000. We will provide You with an endorsement, which reflects the reduction of all values. Acceleration of benefits will have the following effect(s) on Your policy:

- the policy premium will be reduced to the premium that would apply had the policy been issued at the reduced Face Amount; and
- the policy cash value, if any, shall be reduced by the same percentage as the policy death benefit.

The amount an insured may elect is the lesser of \$250,000 or the policy Face Amount in force plus any paid-up additions and less any Loan Balance.

If this rider is attached to a joint policy, the death benefit for the joint policy will be reduced by the Accelerated Amount as described above.

### **GENERAL PROVISIONS**

Contestable Period. This rider is contestable on the same basis as the policy to which it is attached.

Reinstatement. If the policy is reinstated, this rider will be reinstated unless any Benefit Amount has been paid under this rider.

Termination. This rider will terminate on the earlier of the following dates:

- the date we approve your application to accelerate benefits;
- the date a policy split option is exercised;
- the date we receive your written notice to terminate this rider unless the notice specifies a later date; or
- the date your policy terminates for any reason.

If Your policy is assigned or has an irrevocable Beneficiary, a signed acknowledgement form must be submitted to Our administrative office.

- submit an application for benefits to our administrative office; and
- provide us with a Physician's statement confirming eligibility for this rider's benefits.

Upon request to accelerate the benefits We will provide You and any irrevocable Beneficiary a statement demonstrating the effect of acceleration of benefits on Your policy's death benefit, cash value, premiums and policy loans. This information will be provided to You and any irrevocable Beneficiary again upon payment of the Benefit Amount.

We will provide You with an application for benefits within 15 days of Your request. If We are unable to furnish You with an application within 15 days of Your request, it will be considered that You complied with the election requirements if You submit a Physician's written certification that an Insured Person has a Terminal Illness or a Permanent Confinement Condition.

**General Requirements.** You cannot elect to receive the Benefit Amount:

- if Your policy is on extended term insurance; or
- if You are required by law or government to use this rider to pay creditors' claims or to get a government benefit.

### **EFFECT ON POLICY**

Following the payment of the Benefit Amount, the policy will stay in force at a reduced amount. The policy's death benefit will be reduced by the Accelerated Amount, but the policy's remaining Face Amount cannot be less than \$10,000. We will provide You with an endorsement, which reflects the reduction of all values. Acceleration of benefits will have the following effect(s) on Your policy:

- the policy premium will be reduced to the premium that would apply had the policy been issued at the reduced Face Amount; and
- the policy cash value, if any, shall be reduced by the same percentage as the policy death benefit.

The amount an insured may elect is the lesser of \$250,000 or the policy Face Amount in force plus any paid-up additions and less any Loan Balance.

If this rider is attached to a joint policy, the death benefit for the joint policy will be reduced by the Accelerated Amount as described above.

### **GENERAL PROVISIONS**

Contestable Period. This rider is contestable on the same basis as the policy to which it is attached.

Reinstatement. If the policy is reinstated, this rider will be reinstated unless any Benefit Amount has been paid under this rider.

Termination. This rider will terminate on the earlier of the following dates:

- the date we approve your application to accelerate benefits;
- the date a policy split option is exercised;
- the date we receive your written notice to terminate this rider unless the notice specifies a later date; or
- the date your policy terminates for any reason.

If Your policy is assigned or has an irrevocable Beneficiary, a signed acknowledgement form must be submitted to Our administrative office.

Your signature and the agent's signature below indicate that you received this **DISCLOSURE STATEMENT** at or before the time you applied for coverage.

# NOTICE AND CONSENT

### BLOOD TESTING MAY INCLUDE AIDS VIRUS (HIV) ANTIBODY/ANTIGEN TESTING

INSURER: Assurity Life Insurance Company • P.O. Box 82533 • Lincoln, Nebraska 68501-2533 **EXAMINER:** To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory. The consent you give by signing this form authorizes the insurer to withdraw blood and order laboratory tests only in regard to your present insurance application. Due to the serious nature of HIV-related illnesses, you may wish to obtain counseling, at your expense, prior to undergoing the HIV-related test. Information regarding alternative HIV-related testing and counseling is provided by the Pennsylvania Department of Health and by local health departments. You may secure additional information on testing and counseling from the Department of Health at 717-783-0479. Unless precluded by law, tests may be performed to determine the presence of antibodies to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HTLV-III—Western Blot Test Protocol helps to identify AIDS viral particles. These tests are extremely reliable. Other tests that may be performed include determinations of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes and immune disorders. All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved solely in the underwriting process such as its affiliates, reinsurers, employees or contractors. If the Insurer is a member of the Medical Information Bureau (MIB, Inc.) and if the test results for HIV antibodies are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only nonspecific blood and/or urine test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you. If your HIV test results are normal, no routine notification will be sent to you. You may request notification of negative HIV test results. If the HIV test results are other than normal, the Insurer will contact the physician; Pennsylvania Department of Health; local health department; or community-based organization (from a list prepared by the Pennsylvania Department of Health), whichever you designate. Your consent may be revoked at any time except to the extent the Insurer making a disclosure has acted in reliance on your consent. Positive HIV antibody test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities have concluded that persons who are HIV antibody-positive should be considered infected with the AIDS virus and capable of infecting others. Positive HIV antibody test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary. However, no exclusion rider or endorsement will be applied. In the event of a positive HIV test result, I authorize Assurity Life Insurance Company to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes: Name and address of physician; the Pennsylvania Department of Health; local health department; or community-based organization (from the list prepared by the Pennsylvania Department of Health), whichever you designate to receive notice of a positive result: Name Address I have read and I understand this Notice of Consent for Blood Testing (which may include HIV antibody testing). I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test/screening results as described above. I understand that I have the right to request and receive notification of negative HIV test results. I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original. Date of Birth (MM/DD/YYYY) Printed Name of Proposed Insured Signature of Proposed Insured or Parent/Guardian Date (MM/DD/YYYY) State of Residence

# Life Insurance or Annuity REPLACEMENT NOTICE

## NOTICE REGARDING REPLACEMENT

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy, which has been in existence for a period of time, may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could (contest the policy because of a material misrepresentation or omissions concerning the medical information requested in your application, or) deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options, which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages, which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are canceling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.

You should recognize that a policy, which has been in existence for a period of time, may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could (contest the policy because of a material misrepresentation or omissions concerning the medical information requested in your application, or) deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options, which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages, which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are canceling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.

# Accelerated Death Benefits Rider DISCLOSURE STATEMENT

# ACCELERATED DEATH BENEFITS PAID UNDER THIS RIDER WILL REDUCE THE POLICY'S DEATH BENEFIT, PREMIUMS AND POLICY VALUES, WHICH INCLUDE, BUT ARE NOT LIMITED TO, THE CASH VALUE.

# BENEFITS PAID UNDER THIS RIDER MAY BE TAXABLE AND ARE NOT INTENDED TO QUALIFY FOR FAVORABLE TAX TREATMENT. YOU SHOULD CONSULT YOUR TAX ADVISOR TO DISCUSS THIS.

This rider provides an accelerated payment of life insurance proceeds under conditions specified in this rider. It is not intended to provide health, nursing home or long-term care insurance. Cash values, loan values, if any, and death benefits will be reduced if you receive an accelerated benefit. Benefit payments may adversely affect qualifications for Medicaid or other government benefits or entitlement payments.

#### **DEFINITIONS**

Accelerated Amount means the portion of the Eligible Proceeds You elect to accelerate.

Benefit Amount means the portion of the Eliqible Proceeds You elect to receive, adjusted by the Discount Factor.

Discount Factor means a factor that is applied to the death benefit being accelerated on the Election Date, which accounts for:

- reduced life expectancy;
- insured person's age and gender (unless this policy was issued on a gender neutral basis, in which case male rates will be assumed);
- expected future premiums;
- current dividends, if any;
- interest rate. The maximum interest rate used will be no more than the greater of a) the current yield on 90-day treasury bills or b) the current maximum adjustable policy loan interest rate based on Moody's Corporate Bond Yield Averages—Monthly Average Corporates published by Moody's Investor Service, Inc., or successor thereto, for the calendar month ending two months before the date an accelerated payment is requested; and
- a one-time processing charge not to exceed \$250. We will inform You of the charge when You request this rider's benefit.

**Election Date** means the date We receive Your application for the Benefit Amount.

Eligible Proceeds means the lesser of \$250,000 or the policy Face Amount in force plus any paid-up additions and less any Loan Balance.

Immediate Family means the spouse, father, mother, children or siblings of an Insured Person.

**Nursing Home** means an institution which is not primarily a residential facility and is either:

- a Medicare-approved skilled nursing facility;
- state-licensed as a skilled nursing or intermediate care facility; or
- meets all of the following:
  - is state-licensed as a Nursing Home;
  - primarily provides nursing care;
  - is supervised by a registered or licensed practical nurse;
  - keeps daily patient medical records; and
  - records and controls all medications it gives.

**Permanent Confinement Condition** means a medical condition that is expected to require continuous permanent confinement in a Nursing Home for the remainder of an Insured Person's lifetime. Such a condition must be certified by a Physician.

**Physician** means a doctor of medicine or osteopathy who is duly licensed and practicing medicine in the United States and who is legally qualified to diagnose and treat sickness and injuries. Such Physician cannot be a member of an Insured Person's Immediate Family or business associate, and must be providing services within the scope of his or her license/specialty. Practitioners other than those named above are not Physicians.

Terminal Illness means a condition that results in an expected life span of 12 months or less. Such a condition must be certified by a Physician.

### RIDER BENEFIT

Payment of Accelerated Benefits. If an Insured Person qualifies for the Terminal Illness Option or the Permanent Confinement Option, We will pay You the Benefit Amount. Payment will be made immediately upon receipt of due written proof of eligibility at Our administrative office. The Benefit Amount will be paid to You or Your estate unless You have otherwise assigned or designated benefits. We reserve the right to require the consent of a spouse, an Insured Person or other Beneficiaries.

If the qualifying Insured Person dies after You elect to receive the Benefit Amount, but before any such benefits are received, the election shall be cancelled and the death benefit paid pursuant to the policy.

Any acceleration of benefits paid will not reduce the benefit of other riders attached to Your policy, if applicable.

**Terminal Illness Option.** This option allows You to receive the Benefit Amount as a lump sum if an Insured Person is diagnosed with a Terminal Illness. The lump sum shall be at least equal to the acceleration percentage multiplied by the difference between the current policy cash value and any outstanding policy loans. If You do not want to receive the payment in a lump sum, You can elect to be paid in 12 equal monthly payments. If You take 12 payments, We will pay interest of not less than one percent per year. If the qualifying Insured Person dies before all 12 payments are made, We will pay You or Your estate the present value of future payments based on the interest rate used to calculate the original payments.

Permanent Confinement Option. This option allows You to receive the Benefit Amount as a lump sum if an Insured Person:

- is diagnosed with a Permanent Confinement Condition; and
- has been confined to a Nursing Home for 90 consecutive days before You elect to receive the Benefit Amount.

The lump sum shall be at least equal to the acceleration percentage multiplied by the difference between the current policy cash value and any outstanding policy loans. If You do not want to receive a lump sum payment, You can be paid level monthly payments over a period of your choosing provided it adheres to the requirements detailed in the table below. We will pay interest of not less than one percent per year.

Attained Age of Insured Person	Maximum Payment Period in Years	
Under 64	10	
65 – 67	8	
68 - 70	7	
71 – 73	6	
74 – 77	5	
78 – 81	4	
82 – 86	3	
87+	2	

We can set a monthly maximum benefit. If the qualifying Insured Person dies before all payments are made, We will pay You or Your estate the present value of future payments based on the interest rate used to calculate the original payment.

#### RIDER REQUIREMENTS

**Election Requirements.** To elect this rider's Benefit Amount, You must:

- submit an application for benefits to our administrative office; and
- provide us with a Physician's statement confirming eligibility for this rider's benefits.

Upon request to accelerate the benefits We will provide You and any irrevocable Beneficiary a statement demonstrating the effect of acceleration of benefits on Your policy's death benefit, cash value, premiums and policy loans. This information will be provided to You and any irrevocable Beneficiary again upon payment of the Benefit Amount.

We will provide You with an application for benefits within 15 days of Your request. If We are unable to furnish You with an application within 15 days of Your request, it will be considered that You complied with the election requirements if You submit a Physician's written certification that an Insured Person has a Terminal Illness or a Permanent Confinement Condition.

**General Requirements.** You cannot elect to receive the Benefit Amount:

- if Your policy is on extended term insurance; or
- if You are required by law or government to use this rider to pay creditors' claims or to get a government benefit.

### **EFFECT ON POLICY**

Following the payment of the Benefit Amount, the policy will stay in force at a reduced amount. The policy's death benefit will be reduced by the Accelerated Amount, but the policy's remaining Face Amount cannot be less than \$10,000. We will provide You with an endorsement, which reflects the reduction of all values. Acceleration of benefits will have the following effect(s) on Your policy:

- the policy premium will be reduced to the premium that would apply had the policy been issued at the reduced Face Amount; and
- the policy cash value, if any, shall be reduced by the same percentage as the policy death benefit.

The amount an insured may elect is the lesser of \$250,000 or the policy Face Amount in force plus any paid-up additions and less any Loan Balance.

If this rider is attached to a joint policy, the death benefit for the joint policy will be reduced by the Accelerated Amount as described above.

## **GENERAL PROVISIONS**

Contestable Period. This rider is contestable on the same basis as the policy to which it is attached.

Reinstatement. If the policy is reinstated, this rider will be reinstated unless any Benefit Amount has been paid under this rider.

**Termination.** This rider will terminate on the earlier of the following dates:

- the date we approve your application to accelerate benefits;
- the date a policy split option is exercised;
- the date we receive your written notice to terminate this rider unless the notice specifies a later date; or
- the date your policy terminates for any reason.

If Your policy is assigned or has an irrevocable Beneficiary, a signed acknowledgement form must be submitted to Our administrative office.
