NOTICE AND CONSENT FOR BLOOD TESTING

BLOOD TESTING WILL INCLUDE AIDS VIRUS *(HIV)* ANTIBODY/ANTIGEN TESTING APPLICATION FOR LIFE OR DISABILITY INCOME INSURANCE

INSURER: Assurity Life Insurance Company • P.O. Box 82533 • 1526 K Street • Lincoln, Nebraska 68501-2533

To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

The consent you give by signing this form authorizes the Insurer to withdraw blood and order laboratory tests only in regard to your present application for life or disability income insurance.

The test or tests to be performed are used to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus *(HIV)*, also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable.

TESTS TO BE PERFORMED

We will use an ELISA test or a Western Blot Assay, or both.

An ELISA test is an enzyme-linked immunosorbent assay serologic test which has been licensed by the Federal Food and Drug Administration to detect antibodies to the human immunodeficiency virus. A positive ELISA test means an ELISA test performed in accordance with the manufacturer's specifications which is reactive on an initial testing and on at least one of two additional tests of the same serum or plasma specimen.

A Western Blot Assay is an assay which uses reagents consisting of HIV antigens separated by polyacrylamide-gel electrophoresis and then transferred to nitra-cellulose paper to detect antibodies to the human immunodeficiency virus. A reactive Western Blot Assay is a Western Blot Assay which is reactive according to the standards of performance and results specified in the manufacturer's Federal Food and Drug Administration approved product circular for the Western Blot Assay reagents and laboratory apparatus.

MEANING OF POSITIVE TEST RESULTS

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen-positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

CONFIDENTIALITY OF TEST RESULTS

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved solely in the underwriting process such as its affiliates, reinsurers, employees or contractors. If the Insurer is a member of the Medical Information Bureau *(MIB, Inc.)*, and if the test results for HIV antibodies/antigens are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only a nonspecific blood test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or authorized by you.

COST OF TESTING

The cost of any testing will be borne by the Insurer.

NOTIFICATION OF TEST RESULTS

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer will contact your designated physician, or you if you have not designated a physician, the Insurer will ask you for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the results.

TIME LIMIT

This Consent shall be valid for a period of 30 months from the date noted below.

CONSENT

I have read and I understand this Notice of Consent for Blood Testing Which Will Include HIV Antibody/Antigen Testing.

I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Assurity Life to send the test results to the following health care professional:

California Resident's
MEDI-CAL DISCLOSURE

NOTICE REGARDING STANDARDS FOR MEDI-CAL ELIGIBILITY AND RECOVERY

For Distribution by Insurers, Agents and Brokers

IF YOU OR YOUR SPOUSE ARE CONSIDERING PURCHASING A FINANCIAL PRODUCT BASED ON ITS TREATMENT UNDER THE MEDI-CAL PROGRAM, READ THIS IMPORTANT MESSAGE!

You or your spouse do not have to use up all of your savings before applying for Medi-Cal.

RECOVERY

An annuity purchased on or after September 1, 2004, shall be subject to recovery by the state upon the annuitant's death under the regulations of the Medi-Cal Recovery Program. Income derived from the annuity must be used to meet the annuitant's share of costs and, if the annuitant is married, the income derived from the annuity may impact the minimum monthly maintenance needs of the annuitant's community spouse. An annuity purchased by a community spouse on or after September 1, 2004, may also be subject to recovery if that spouse is the recipient of past or future Medi-Cal benefits.

UNMARRIED RESIDENT

An unmarried resident may be eligible for Medi-Cal benefits if he or she has less than $2,000 in countable resources. The Medi-Cal recipient is allowed to keep from his or her monthly income a personal allowance of $35 plus the amount of any health insurance premiums paid. The remainder of the monthly income is paid to the nursing facility as a monthly share of cost.

MARRIED RESIDENT

- Community Spouse Resource Allowance: If one spouse lives in a nursing facility and the other spouse does not live in a facility, the Medi-Cal program will pay some or all of the nursing facility costs as long as the couple together does not have more than $119,220 in countable resources.
- Minimum Monthly Maintenance Needs Allowance: If a spouse is eligible for Medi-Cal payment of nursing facility costs, the spouse living at home is allowed to keep a monthly income of at least his or her individual monthly income, or $2,981 in monthly income, whichever is greater.

FAIR HEARINGS AND COURT ORDERS

Under certain circumstances, an at-home spouse can obtain an order from an administrative law judge or court that will allow the at-home spouse to retain additional resources or income. The order may allow the couple to retain more than $119,220 in countable resources. The order also may allow the at-home spouse to retain more than $2,981 in monthly income.

REAL AND PERSONAL PROPERTY EXEMPTIONS

Many of your assets may already be exempt. Exempt means that the assets are not counted when determining eligibility for Medi-Cal.

REAL PROPERTY EXEMPTIONS

- One principal residence: One property used as a home is exempt. The home will remain exempt in determining eligibility if the applicant intends to return home some day. The home also continues to be exempt if the applicant's spouse or dependent relative continues to live in it. Money received from the sale of a home can be exempt for up to six months if the money is going to be used for the purchase of another home.
- Real property used in a business or trade: Real estate used in a trade or business is exempt regardless of its equity value and whether it produces income.

PERSONAL PROPERTY AND OTHER EXEMPT ASSETS

- IRAs, Keogh plans, or other work-related pension plans: These funds are exempt if the family member whose name it is in does not want Medi-Cal. If held in the name of a person who wants Medi-Cal and payments of principal and interest are being received, the balance is considered unavailable and is not counted. It is not necessary to annuitize, convert to an annuity or otherwise change the form of the assets in order for them to be unavailable.
- Personal property used in a trade or business.
- One motor vehicle.
- Irrevocable burial trusts or irrevocable prepaid burial contracts.

There may be other assets that may be exempt.

This is only a brief description of the Medi-Cal eligibility rules. For more detailed information, you should call your county welfare department. Also, you are advised to contact a legal services program for seniors or an attorney that is not connected with the sale of this product.

Please note: If you seek Medi-Cal payment for nursing facility services, you may be ineligible for those services if payments from your annuity extend beyond your life expectancy based upon life expectancy tables adopted by the Department of Health Care Services for this purpose. To find out about these tables, you may contact your local county welfare department.

Finally, the Department of Health Care Services is currently refining its policy regarding the treatment of annuities when determining eligibility for nursing facility services. Any regulatory changes will only impact annuities that are purchased after the effective date of any regulatory amendments.

Different rules apply to annuities that are qualified retirement arrangements established pursuant to Title 26, Internal Revenue Code, Subtitle A, Chapter 1, Subchapter D, Part 1. In some circumstances, Medi-Cal does not count funds held in an IRA, Keogh or other work-related retirement arrangement. To find out if Medi-Cal would count your IRA, Keogh or work-related retirement arrangements, you may contact your local county welfare department.

I have read the above notice and have received a copy.

Thank you for completing the initial insurance paperwork with your agent. **You will make no premium payment at this time.**

We will work with your schedule so that your interview (approximately 20-30 minutes) is private and convenient for you. The information will be kept strictly confidential and used only for this application.

We strongly recommend that you gather the following information so the interview will go quickly. Please be prepared to provide:

- ✔ *Medical information, including physicians' contact information; hospitalizations, office visits and treatments; and prescription drug history over the last two years. Also be prepared to give the drug name, dosage and frequency.*
- ✔ *Company names, insurance types and coverage amounts of your other life or health insurance policies.*

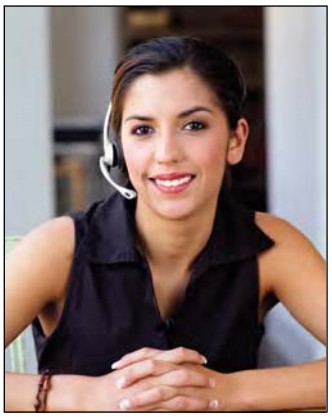
Insurance protection is an important component in securing your financial future. Thank you for choosing Assurity for your insurance needs.

Step 2: Schedule Exam

During the phone interview, your interviewer may need to schedule a mini-medical exam, which may include providing blood and/or urine samples, at your convenience. A licensed professional can provide a short exam at home or work, or you may visit one of our affiliated medical facilities.



Step 3: Policy Approval & Delivery

Once Assurity has reviewed your information, your agent will inform you of the status of your paperwork. If your request is approved, your agent will deliver your policy to you, along with the completed application for you to review and sign. **The premium and/or an automatic bank withdrawal form will be collected at this time.**

NOTICE AND CONSENT FOR BLOOD TESTING

BLOOD TESTING WILL INCLUDE AIDS VIRUS *(HIV)* ANTIBODY/ANTIGEN TESTING APPLICATION FOR LIFE OR DISABILITY INCOME INSURANCE

INSURER: Assurity Life Insurance Company • P.O. Box 82533 • 1526 K Street • Lincoln, Nebraska 68501-2533

To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

The consent you give by signing this form authorizes the Insurer to withdraw blood and order laboratory tests only in regard to your present application for life or disability income insurance.

The test or tests to be performed are used to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus *(HIV)*, also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable.

TESTS TO BE PERFORMED

We will use an ELISA test or a Western Blot Assay, or both.

An ELISA test is an enzyme-linked immunosorbent assay serologic test which has been licensed by the Federal Food and Drug Administration to detect antibodies to the human immunodeficiency virus. A positive ELISA test means an ELISA test performed in accordance with the manufacturer's specifications which is reactive on an initial testing and on at least one of two additional tests of the same serum or plasma specimen.

A Western Blot Assay is an assay which uses reagents consisting of HIV antigens separated by polyacrylamide-gel electrophoresis and then transferred to nitra-cellulose paper to detect antibodies to the human immunodeficiency virus. A reactive Western Blot Assay is a Western Blot Assay which is reactive according to the standards of performance and results specified in the manufacturer's Federal Food and Drug Administration approved product circular for the Western Blot Assay reagents and laboratory apparatus.

MEANING OF POSITIVE TEST RESULTS

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen-positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

CONFIDENTIALITY OF TEST RESULTS

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved solely in the underwriting process such as its affiliates, reinsurers, employees or contractors. If the Insurer is a member of the Medical Information Bureau *(MIB, Inc.)*, and if the test results for HIV antibodies/antigens are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only a nonspecific blood test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or authorized by you.

COST OF TESTING

The cost of any testing will be borne by the Insurer.

NOTIFICATION OF TEST RESULTS

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer will contact your designated physician, or you if you have not designated a physician, the Insurer will ask you for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the results.

TIME LIMIT

This Consent shall be valid for a period of 30 months from the date noted below.

CONSENT

I have read and I understand this Notice of Consent for Blood Testing Which Will Include HIV Antibody/Antigen Testing.

I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Assurity Life to send the test results to the following health care professional:

California Resident's
MEDI-CAL DISCLOSURE

NOTICE REGARDING STANDARDS FOR MEDI-CAL ELIGIBILITY AND RECOVERY

For Distribution by Insurers, Agents and Brokers

IF YOU OR YOUR SPOUSE ARE CONSIDERING PURCHASING A FINANCIAL PRODUCT BASED ON ITS TREATMENT UNDER THE MEDI-CAL PROGRAM, READ THIS IMPORTANT MESSAGE!

You or your spouse do not have to use up all of your savings before applying for Medi-Cal.

RECOVERY

An annuity purchased on or after September 1, 2004, shall be subject to recovery by the state upon the annuitant's death under the regulations of the Medi-Cal Recovery Program. Income derived from the annuity must be used to meet the annuitant's share of costs and, if the annuitant is married, the income derived from the annuity may impact the minimum monthly maintenance needs of the annuitant's community spouse. An annuity purchased by a community spouse on or after September 1, 2004, may also be subject to recovery if that spouse is the recipient of past or future Medi-Cal benefits.

UNMARRIED RESIDENT

An unmarried resident may be eligible for Medi-Cal benefits if he or she has less than $2,000 in countable resources. The Medi-Cal recipient is allowed to keep from his or her monthly income a personal allowance of $35 plus the amount of any health insurance premiums paid. The remainder of the monthly income is paid to the nursing facility as a monthly share of cost.

MARRIED RESIDENT

- Community Spouse Resource Allowance: If one spouse lives in a nursing facility and the other spouse does not live in a facility, the Medi-Cal program will pay some or all of the nursing facility costs as long as the couple together does not have more than $119,220 in countable resources.
- Minimum Monthly Maintenance Needs Allowance: If a spouse is eligible for Medi-Cal payment of nursing facility costs, the spouse living at home is allowed to keep a monthly income of at least his or her individual monthly income, or $2,981 in monthly income, whichever is greater.

FAIR HEARINGS AND COURT ORDERS

Under certain circumstances, an at-home spouse can obtain an order from an administrative law judge or court that will allow the at-home spouse to retain additional resources or income. The order may allow the couple to retain more than $119,220 in countable resources. The order also may allow the at-home spouse to retain more than $2,981 in monthly income.

REAL AND PERSONAL PROPERTY EXEMPTIONS

Many of your assets may already be exempt. Exempt means that the assets are not counted when determining eligibility for Medi-Cal.

REAL PROPERTY EXEMPTIONS

- One principal residence: One property used as a home is exempt. The home will remain exempt in determining eligibility if the applicant intends to return home some day. The home also continues to be exempt if the applicant's spouse or dependent relative continues to live in it. Money received from the sale of a home can be exempt for up to six months if the money is going to be used for the purchase of another home.
- Real property used in a business or trade: Real estate used in a trade or business is exempt regardless of its equity value and whether it produces income.

PERSONAL PROPERTY AND OTHER EXEMPT ASSETS

- IRAs, Keogh plans, or other work-related pension plans: These funds are exempt if the family member whose name it is in does not want Medi-Cal. If held in the name of a person who wants Medi-Cal and payments of principal and interest are being received, the balance is considered unavailable and is not counted. It is not necessary to annuitize, convert to an annuity or otherwise change the form of the assets in order for them to be unavailable.
- Personal property used in a trade or business.
- One motor vehicle.
- Irrevocable burial trusts or irrevocable prepaid burial contracts.

There may be other assets that may be exempt.

This is only a brief description of the Medi-Cal eligibility rules. For more detailed information, you should call your county welfare department. Also, you are advised to contact a legal services program for seniors or an attorney that is not connected with the sale of this product.

Please note: If you seek Medi-Cal payment for nursing facility services, you may be ineligible for those services if payments from your annuity extend beyond your life expectancy based upon life expectancy tables adopted by the Department of Health Care Services for this purpose. To find out about these tables, you may contact your local county welfare department.

Finally, the Department of Health Care Services is currently refining its policy regarding the treatment of annuities when determining eligibility for nursing facility services. Any regulatory changes will only impact annuities that are purchased after the effective date of any regulatory amendments.

Different rules apply to annuities that are qualified retirement arrangements established pursuant to Title 26, Internal Revenue Code, Subtitle A, Chapter 1, Subchapter D, Part 1. In some circumstances, Medi-Cal does not count funds held in an IRA, Keogh or other work-related retirement arrangement. To find out if Medi-Cal would count your IRA, Keogh or work-related retirement arrangements, you may contact your local county welfare department.

I have read the above notice and have received a copy.
