I authorize the release of any information contained in credit reports and driving records, including but not limited to information on motor vehicle accidents and/or violations.
- Financial records and information.

I understand that this information may be released by Assurity and/or its reinsurers to their consulting physicians, their attorneys, MIB Inc. and to other insurance companies with which the Individual has policies or to whom applications may be made, or to whom claims for benefits have been made or may be submitted. By this authorization, I further authorize Assurity, or its reinsurers, to make a brief report of my personal health information to MIB Inc.

By my signature below, I acknowledge that any agreements I have made to restrict protected health information of the Individual do not apply to this authorization, and I instruct any licensed physician, medical practitioner, hospital, clinic, pharmacy or pharmacy benefit manager, records custodians, other medical or medically related facility, insurance or reinsurance company, MIB Inc., consumer reporting agency, clearinghouse, employer or other organization or person that has any records or knowledge of the Individual or their health, to release and disclose the Individual's entire medical record as described above without restriction. The medical information so acquired will be used to determine eligibility for insurance, including additional coverage to an existing policy and/or eligibility for benefits under a policy. I understand that this information may be subject to redisclosure by Assurity and may no longer be protected by the federal rules governing privacy of health information, and that this information may only be redisclosed in accordance with other applicable laws or regulations.

I further agree to execute additional documents that may be necessary to permit Assurity to obtain medical and/or financial information relevant to my application for insurance or claim for benefits, including, but not limited to, federal and/or state tax records and Social Security Administration records.

This authorization shall be valid as long as the insured is continually insured (**authorization to disclose HIV-related information is valid for 180 days from the date of the signature below**), for collecting information in connection with an application for an insurance policy, policy reinstatement or claim. A copy of this authorization is as valid as the original. I understand that I, or my authorized representative, will receive a copy of this authorization if requested. I understand that I have the right to revoke this authorization at any time by providing written notice to Assurity. I understand that a revocation is not effective to the extent that action has been taken in reliance on this authorization. I further understand that if I refuse to sign this authorization, Assurity may not be able to process this application, or if coverage has been issued, may not be able to make any benefit payments.

You have the right to access and correct this information, except information that relates to a claim or a civil or criminal proceeding.

Upon your written request, Assurity will provide you with a more detailed written notice explaining the types of information that may be collected, the types of sources and investigative techniques that may be used, the types of disclosures that may be made and the circumstances under which they may be made without your authorization, a description of your rights to access and correct information and the role of insurance support organizations with regard to your information.

## **Fair Credit Reporting Act**

Pursuant to the Federal Fair Credit Reporting Act, as amended (15 U.S.C. 1681d), notice is hereby given that, as a component of our underwriting process relating to your application for life or health insurance, Assurity Life Insurance Company (Assurity) may request an investigative consumer report that may include information about your character, general reputation, personal characteristics and mode of living, except as may be related directly or indirectly to sexual orientation.

This information may be obtained through personal interviews with your neighbors, friends, associates and others with whom you are acquainted or who may have knowledge concerning any such items of information. You have a right to request in writing, within a reasonable period of time after receiving this notice, a complete and accurate disclosure of the nature and scope of the investigation Assurity requests. To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

Tests may be performed to determine the presence of antibodies or antigen to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS particles. These tests are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids (*fats*) and screening for liver or kidney disorders, diabetes and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved in the underwriting and claims review process. Your test results will not be disclosed to your agent or broker. If the HIV test is positive, the results will be reported to the local health department or the State Department of Health, and if the insurer is a member of the Medical Information Bureau (*MIB, Inc.*) the Insurer may report the results in a generic code which signifies only nonspecific blood abnormalities. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results, or even that the tests have been done, except as may be required or permitted by law or authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer or your designated physician will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities have concluded that persons who are HIV antibody/antigen-positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice of Consent for Blood Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Assurity Life Insurance to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes:

- 4) Current law DOES NOT REQUIRE your present insurer(s) to REFUND any premiums.
- 5) It is to your advantage to OBTAIN INFORMATION regarding your existing policies or annuity contracts **from the insurer or agent from whom you purchased the policy or annuity contract.**

## DEFINITIONS

**PREMIUMS:** Premiums are the payments you make in exchange for an insurance or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.

**CASH SURRENDER VALUE:** This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender values.

**LAPSE:** A life insurance policy may lapse when you don't pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

**SURRENDER:** You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. Whenever a policy has a cash surrender value, you can get it in cash if you return the policy to the company with a written request. Most insurers will also let you exchange the cash value of the policy for paid-up or extended term insurance.

**CONVERT TO PAID-UP INSURANCE:** This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you won't have to pay any more premiums.

**PLACE ON EXTENDED TERM:** This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.

**BORROW POLICY LOAN VALUES:** If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

**EVIDENCE OF INSURABILITY:** This means proof that you are an acceptable risk. You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible for coverage.

**INCONTESTABLE CLAUSE:** This says that after two years (*depending on the policy or insurer*) the life insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy.

**SUICIDE CLAUSE:** This says that if you commit suicide after being insured for less than two years (*depending on the policy and insurer*), your beneficiaries will receive only a refund of the premiums that were paid.

**To be completed if replacing another policy.**

**Signed form to be returned to the home office.**

**Applicant to receive a copy of the signed form at the time the application is taken.**

**SURRENDER:** You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. Whenever a policy has a cash surrender value, you can get it in cash if you return the policy to the company with a written request. Most insurers will also let you exchange the cash value of the policy for paid-up or extended term insurance.

**CONVERT TO PAID-UP INSURANCE:** This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you won't have to pay any more premiums.

**PLACE ON EXTENDED TERM:** This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.

**BORROW POLICY LOAN VALUES:** If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

**EVIDENCE OF INSURABILITY:** This means proof that you are an acceptable risk. You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible for coverage.

**INCONTESTABLE CLAUSE:** This says that after two years (*depending on the policy or insurer*) the life insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy.

**SUICIDE CLAUSE:** This says that if you commit suicide after being insured for less than two years (*depending on the policy and insurer*), your beneficiaries will receive only a refund of the premiums that were paid.

**To be completed if replacing another policy.**

**Signed form to be returned to the home office.**

**Applicant to receive a copy of the signed form at the time the application is taken.**

**Any Proposed Insured residing in MA, ME, PA, SD or WA must retain a copy of this completed form.**

**BENEFITS PAID UNDER THIS RIDER MAY BE TAXABLE. YOU SHOULD CONSULT YOUR TAX ADVISOR TO DISCUSS THIS.**

This rider provides an accelerated payment of life insurance proceeds under conditions specified in this rider. It is not intended to provide health, nursing home or long-term care insurance. Cash values, loan values, if any, and death benefits will be reduced if you receive an accelerated benefit. Benefit payments may affect qualifications for entitlement payments.

**DEFINITIONS**

**Eligible Proceeds** means up to a total of \$250,000 of the policy face amount of all in-force life insurance coverage on the life of the insured from all policies and riders issued by Assurity Life Insurance Company.

**Benefit Amount** means the portion of the Eligible Proceeds you elect to receive, adjusted by a variety of factors including:

- reduced life expectancy;
- insured's age and gender;
- expected future premiums;
- current dividends, if any; and
- interest rate. The maximum interest rate used will be no more than the greater of a) the current yield on 90-day treasury bills or b) the current maximum statutory adjustable policy loan interest rate.

We will also deduct a processing charge from the Benefit Amount. This charge will not exceed \$250. We will tell you what the charge is when you request this rider's benefit.

**Nursing Home** means an institution which is not primarily a residential facility and which:

- is a Medicare-approved skilled nursing facility;
- is state-licensed as a skilled nursing or intermediate care facility; or
- meets all of the following:
  - is state-licensed as a Nursing Home;
  - primarily provides nursing care;
  - is supervised by a registered or licensed practical nurse;
  - keeps daily patient medical records; and
  - records and controls all medications it administers.

**Terminally Ill** means having an expected life span of 12 months or less. You must provide us with a doctor's certification of the insured's life expectancy.

**RIDER BENEFIT**

Subject to rider conditions, you may request to receive the Benefit Amount while the insured is alive if the insured qualifies for the Terminal Illness Option or Nursing Home Option. There are four types of rider conditions.

**Conversion Conditions.** These rider conditions concern which policies and riders you can convert to a Benefit Amount.

- You can combine all of your in-force life insurance coverage on the life of the insured from all policies and riders issued by Assurity.
- You cannot convert more than \$250,000.
- You can only convert one time per policy or rider.

**Election Conditions.** These rider conditions tell you how to elect this rider's benefit.

- You must request the rider benefit in writing.
- You must send the request for the rider benefit to our administrative office.
- You must send us the policies and riders you are converting with your request.
- You must provide us with a physician's statement.

**Voluntary Conditions.** This rider's benefit is only available if you take it on your own policy. You cannot exercise this rider if you are required:

- by law to use this rider to pay creditors' claims; or
- by the government to use this rider to receive a government benefit.

**General Conditions.** You cannot elect this rider:

- within 2 years of your policy's final expiration date;
- if your policy is on extended term insurance; or
- if your policy is assigned or has an irrevocable beneficiary unless prior written acknowledgment to release is received by us.

**Terminal Illness Options.** This option lets you receive a Benefit Amount if the insured is Terminally Ill. If you do not want to receive the payment in a lump sum, you can be paid in 12 equal monthly payments. If you take 12 payments, we will pay interest of not less than 3 percent per year. If the insured dies before all 12 payments are made, we will pay the beneficiary the present value of future payments based on the monthly interest rate used to calculate the original payments.

**Nursing Home Option.** This option lets you receive the Benefit Amount if the insured:

- is in a Nursing Home;
- has been in the Nursing Home for six consecutive months before you elect to receive the Benefit Amount; and
- is expected to stay in the Nursing Home until death.

You must prove all of the above to us. A doctor must certify the Nursing Home stay will last until death. If you do not want to receive a lump sum payment, you can receive monthly payments as follows:

<u>Attained Age of Insured</u>	<u>Payment Period in Years</u>	<u>Minimum Monthly Payment Per \$1,000 of Benefit Base</u>
Under 64	10	\$ 9.61
65 – 67	8	11.68
68 - 70	7	13.16
71 – 73	6	15.14
74 – 77	5	17.91
78 – 81	4	22.06
82 – 86	3	28.99
87+	2	42.86

We can set a maximum benefit, but it will be at least \$5,000. If the insured dies before all payments are made, we will pay the beneficiary the present value of future payments based on the interest rate used to calculate the original payment.

### EFFECT ON POLICY

Following the payment of the Benefit Amount, the policy will stay in force at a reduced amount. The reduction is the percentage of Eligible Proceeds used. For example, if you convert 25 percent of your policy's Eligible Proceeds, only 75 percent of the policy's face amount stays in force. The policy premium will be reduced to the premium that would apply had the policy been issued at the reduced amount. There will be no change in any policy or rider that was not part of the Eligible Proceeds. We will provide you with a revised policy schedule which reflects the reduction of all values applicable to the policy and all benefits the policy provides.

### TERMINATION

This rider will terminate on the earlier of the following dates:

- the date we approve your written request to accelerate benefits; or
- the date your policy terminates for any reason.

Accelerated Benefit payments may adversely affect your eligibility for Medicaid or other government benefits or entitlements.

Your signature and the agent's signature below indicate that you received this **DISCLOSURE STATEMENT** at or before the time you applied for coverage.

To determine your insurability, the Insurer named above has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

Tests may be performed to determine the presence of antibodies or antigen to the Human Immunodeficiency Virus (*HIV*), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS particles. These tests are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids (*fats*) and screening for liver or kidney disorders, diabetes and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved in the underwriting and claims review process. Your test results will not be disclosed to your agent or broker. If the HIV test is positive, the results will be reported to the local health department or the State Department of Health, and if the insurer is a member of the Medical Information Bureau (*MIB, Inc.*) the Insurer may report the results in a generic code which signifies only nonspecific blood abnormalities. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results, or even that the tests have been done, except as may be required or permitted by law or authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer or your designated physician will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities have concluded that persons who are HIV antibody/antigen-positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice of Consent for Blood Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Assurity Life Insurance to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes:

## DEFINITIONS

**PREMIUMS:** Premiums are the payments you make in exchange for an insurance or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.

**CASH SURRENDER VALUE:** This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender values.

**LAPSE:** A life insurance policy may lapse when you don't pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

**SURRENDER:** You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. Whenever a policy has a cash surrender value, you can get it in cash if you return the policy to the company with a written request. Most insurers will also let you exchange the cash value of the policy for paid-up or extended term insurance.

**CONVERT TO PAID-UP INSURANCE:** This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you won't have to pay any more premiums.

**PLACE ON EXTENDED TERM:** This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.

**BORROW POLICY LOAN VALUES:** If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

**EVIDENCE OF INSURABILITY:** This means proof that you are an acceptable risk. You have to meet the insurer's standards regarding age, health, occupation, etc., to be eligible for coverage.

**INCONTESTABLE CLAUSE:** This says that after two years (*depending on the policy or insurer*) the life insurer will not resist a claim because you made a false or incomplete statement when you applied for the policy.

**SUICIDE CLAUSE:** This says that if you commit suicide after being insured for less than two years (*depending on the policy and insurer*), your beneficiaries will receive only a refund of the premiums that were paid.

**To be completed if replacing another policy.**

**Signed form to be returned to the home office.**

**Applicant to receive a copy of the signed form at the time the application is taken.**

**Any Proposed Insured residing in MA, ME, PA, SD or WA must retain a copy of this completed form.**

**BENEFITS PAID UNDER THIS RIDER MAY BE TAXABLE. YOU SHOULD CONSULT YOUR TAX ADVISOR TO DISCUSS THIS.**

This rider provides an accelerated payment of life insurance proceeds under conditions specified in this rider. It is not intended to provide health, nursing home or long-term care insurance. Cash values, loan values, if any, and death benefits will be reduced if you receive an accelerated benefit. Benefit payments may affect qualifications for entitlement payments.

**DEFINITIONS**

**Eligible Proceeds** means up to a total of \$250,000 of the policy face amount of all in-force life insurance coverage on the life of the insured from all policies and riders issued by Assurity Life Insurance Company.

**Benefit Amount** means the portion of the Eligible Proceeds you elect to receive, adjusted by a variety of factors including:

- reduced life expectancy;
- insured's age and gender;
- expected future premiums;
- current dividends, if any; and
- interest rate. The maximum interest rate used will be no more than the greater of a) the current yield on 90-day treasury bills or b) the current maximum statutory adjustable policy loan interest rate.

We will also deduct a processing charge from the Benefit Amount. This charge will not exceed \$250. We will tell you what the charge is when you request this rider's benefit.

**Nursing Home** means an institution which is not primarily a residential facility and which:

- is a Medicare-approved skilled nursing facility;
- is state-licensed as a skilled nursing or intermediate care facility; or
- meets all of the following:
  - is state-licensed as a Nursing Home;
  - primarily provides nursing care;
  - is supervised by a registered or licensed practical nurse;
  - keeps daily patient medical records; and
  - records and controls all medications it administers.

**Terminally Ill** means having an expected life span of 12 months or less. You must provide us with a doctor's certification of the insured's life expectancy.

**RIDER BENEFIT**

Subject to rider conditions, you may request to receive the Benefit Amount while the insured is alive if the insured qualifies for the Terminal Illness Option or Nursing Home Option. There are four types of rider conditions.

**Conversion Conditions.** These rider conditions concern which policies and riders you can convert to a Benefit Amount.

- You can combine all of your in-force life insurance coverage on the life of the insured from all policies and riders issued by Assurity.
- You cannot convert more than \$250,000.
- You can only convert one time per policy or rider.

**Election Conditions.** These rider conditions tell you how to elect this rider's benefit.

- You must request the rider benefit in writing.
- You must send the request for the rider benefit to our administrative office.
- You must send us the policies and riders you are converting with your request.
- You must provide us with a physician's statement.

**Voluntary Conditions.** This rider's benefit is only available if you take it on your own policy. You cannot exercise this rider if you are required:

- by law to use this rider to pay creditors' claims; or
- by the government to use this rider to receive a government benefit.

**General Conditions.** You cannot elect this rider:

- within 2 years of your policy's final expiration date;
- if your policy is on extended term insurance; or
- if your policy is assigned or has an irrevocable beneficiary unless prior written acknowledgment to release is received by us.

**Terminal Illness Options.** This option lets you receive a Benefit Amount if the insured is Terminally Ill. If you do not want to receive the payment in a lump sum, you can be paid in 12 equal monthly payments. If you take 12 payments, we will pay interest of not less than 3 percent per year. If the insured dies before all 12 payments are made, we will pay the beneficiary the present value of future payments based on the monthly interest rate used to calculate the original payments.

**Nursing Home Option.** This option lets you receive the Benefit Amount if the insured:

- is in a Nursing Home;
- has been in the Nursing Home for six consecutive months before you elect to receive the Benefit Amount; and
- is expected to stay in the Nursing Home until death.

You must prove all of the above to us. A doctor must certify the Nursing Home stay will last until death. If you do not want to receive a lump sum payment, you can receive monthly payments as follows:

<u>Attained Age of Insured</u>	<u>Payment Period in Years</u>	<u>Minimum Monthly Payment Per \$1,000 of Benefit Base</u>
Under 64	10	\$ 9.61
65 – 67	8	11.68
68 - 70	7	13.16
71 – 73	6	15.14
74 – 77	5	17.91
78 – 81	4	22.06
82 – 86	3	28.99
87+	2	42.86

We can set a maximum benefit, but it will be at least \$5,000. If the insured dies before all payments are made, we will pay the beneficiary the present value of future payments based on the interest rate used to calculate the original payment.

### EFFECT ON POLICY

Following the payment of the Benefit Amount, the policy will stay in force at a reduced amount. The reduction is the percentage of Eligible Proceeds used. For example, if you convert 25 percent of your policy's Eligible Proceeds, only 75 percent of the policy's face amount stays in force. The policy premium will be reduced to the premium that would apply had the policy been issued at the reduced amount. There will be no change in any policy or rider that was not part of the Eligible Proceeds. We will provide you with a revised policy schedule which reflects the reduction of all values applicable to the policy and all benefits the policy provides.

### TERMINATION

This rider will terminate on the earlier of the following dates:

- the date we approve your written request to accelerate benefits; or
- the date your policy terminates for any reason.

Accelerated Benefit payments may adversely affect your eligibility for Medicaid or other government benefits or entitlements.

Your signature and the agent's signature below indicate that you received this **DISCLOSURE STATEMENT** at or before the time you applied for coverage.

**BENEFITS PAID UNDER THIS RIDER MAY BE TAXABLE. YOU SHOULD CONSULT YOUR TAX ADVISOR TO DISCUSS THIS.**

This rider provides an accelerated payment of life insurance proceeds under conditions specified in this rider. It is not intended to provide health, nursing home or long-term care insurance. Cash values, loan values, if any, and death benefits will be reduced if you receive an accelerated benefit. Benefit payments may affect qualifications for entitlement payments.

**Nursing Home Option.** This option lets you receive the Benefit Amount if the insured:

- is in a Nursing Home;
- has been in the Nursing Home for six consecutive months before you elect to receive the Benefit Amount; and
- is expected to stay in the Nursing Home until death.

You must prove all of the above to us. A doctor must certify the Nursing Home stay will last until death. If you do not want to receive a lump sum payment, you can receive monthly payments as follows:

<u>Attained Age of Insured</u>	<u>Payment Period in Years</u>	<u>Minimum Monthly Payment Per \$1,000 of Benefit Base</u>
Under 64	10	\$ 9.61
65 – 67	8	11.68
68 - 70	7	13.16
71 – 73	6	15.14
74 – 77	5	17.91
78 – 81	4	22.06
82 – 86	3	28.99
87+	2	42.86

We can set a maximum benefit, but it will be at least \$5,000. If the insured dies before all payments are made, we will pay the beneficiary the present value of future payments based on the interest rate used to calculate the original payment.

### EFFECT ON POLICY

Following the payment of the Benefit Amount, the policy will stay in force at a reduced amount. The reduction is the percentage of Eligible Proceeds used. For example, if you convert 25 percent of your policy's Eligible Proceeds, only 75 percent of the policy's face amount stays in force. The policy premium will be reduced to the premium that would apply had the policy been issued at the reduced amount. There will be no change in any policy or rider that was not part of the Eligible Proceeds. We will provide you with a revised policy schedule which reflects the reduction of all values applicable to the policy and all benefits the policy provides.

### TERMINATION

This rider will terminate on the earlier of the following dates:

- the date we approve your written request to accelerate benefits; or
- the date your policy terminates for any reason.

Accelerated Benefit payments may adversely affect your eligibility for Medicaid or other government benefits or entitlements.
