Accident Death Insurance Policy – Outline of Coverage

The Policy Provides Limited Benefits
Benefits Provided Are Supplemental And Are Not Intended To Cover All Medical Expenses

For Policy Form 50AD-23965

Read Your Policy Carefully

This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR POLICY CAREFULLY!

Accident-Only Coverage

Policies of this category are designed to provide coverage for certain losses resulting from a covered accident ONLY, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

Accidental Death Benefit

If, while insured under this policy, an *insured person* sustains an *injury* and dies as a direct result of the *injury*, we will pay the Accidental Death Benefit shown on the policy schedule.

Common Carrier Accidental Death Benefit

Your policy may contain a common carrier accidental death benefit. If, while insured under this policy, an *insured person* sustains an *injury* while riding as a fare-paying passenger on a *common carrier* and dies as a direct result of the *injury*, we will pay a common carrier accidental death benefit. The common carrier accidental death benefit is shown on the policy schedule. This benefit is payable in addition to the accidental death benefit.

Auto/Pedestrian Accidental Death Benefit

Your policy may contain an auto/pedestrian accidental death benefit. If, while insured under this policy, an *insured person* sustains an *injury*:

(a) while driving or riding in any *private automobile*; or

(b) when struck by any motor vehicle ordinarily operated on public streets and highways

and dies as a direct result of the *injury*, we will pay an auto/pedestrian accidental death benefit. The auto/pedestrian accidental death benefit is shown on the policy schedule. This benefit is payable in addition to the accidental death benefit.

Exclusions

Your policy pays benefits only for loss resulting from *injuries*. We will not pay benefits for:

(a) *injury* that occurs while this policy is not in force;

(b) death resulting directly or indirectly from disease or bodily infirmity;

(c) death resulting from an act of declared or undeclared war;

(d) death that occurs while serving in the armed forces;

(e) death caused by intentionally self-inflicted *injury*;

(f) death caused by an *insured person's* suicide;

(g) death resulting from an *insured person's* commission or attempted commission of a felony;

(h) death resulting from a moving vehicle accident occurring while an *insured person* is engaged in a contest of speed, organized or not;

(i) death resulting from flying in an aircraft unless sustained as a passenger (not as a pilot, operator or a member of the crew).

Guaranteed Renewable To Age 80

Your policy is guaranteed renewable until you reach *age 80*. This means you have the right to continue your policy until you reach *age 80*. Unless there has been a *material misrepresentation*, we cannot cancel your policy during that time as long as you pay the required premium before the end of each grace period.

Premiums Can Change

We may change the premium for your policy. However, we cannot make any premium change unless we make the same change to all policies of this form issued to persons of the same *class*. We will give you 30 days advance written notice before any premium change. Your premium will not increase during the first five years following the *policy date*.
