Underwriting

SIMPLIFIED UNDERWRITING

Eligibility for coverage is based on a simplified application, liberal height and weight chart, a check with the Medical Information Bureau (MIB) and pharmaceutical related facility, and a telephone interview (if applicable). The build chart is found later in this guide. Underwriting decisions will be made on an accept/reject basis (no table ratings available). Applications on individuals who are considered above a table 4 risk, will be declined. NOTE: Underwriting reserves the right to request medical records only if or when deemed necessary.

APPLICATION COMPLETION

- **Full Name of Proposed Insured** – List full legal name.
- **Age** – Calculate age based upon last birthday.
- **Height and Weight** – Record the Proposed Insured's current height and weight. Refer to the Build Chart in this guide to assist in determining if the applicant is eligible for coverage.
- **Signature** – Power of Attorney (POA) signatures are not acceptable.
- **Owner** – Complete only if the Owner is different than the Proposed Insured. If Owner is different, they MUST sign and date below the Proposed Insured's Signature on the back of the application.
- **Beneficiary** – Be sure to complete relationship of the beneficiary to the Proposed Insured. Full names of Primary and Contingent beneficiaries must be listed on the application including the beneficiary's relationship to the Proposed Insured. A beneficiary must have a legitimate insurable interest. In all cases, a beneficiary must have a current interest in the life of the insured. Examples include family members, a Trust, or insured's estate.
- **Plan Applied For** – After the plan, write "Home Protector" or use the abbreviation "HP".
- **Return of Premium** – Check the box if requesting the Return of Premium Rider.

- **During the past 12 months have you used tobacco in any form?** – This includes the use of cigarettes, chewing tobacco, snuff or other tobacco products (excluding occasional cigar or pipe use).
- **Will you replace an existing life insurance policy or an annuity?** – Check appropriate box. If replacing coverage, complete the Company name, Policy number, and the Amount of Coverage on the application. NOTE: Complete any state required Replacement Forms.
- **Replacement of Existing Insurance** – Great care and attention should be given to any decision to replace an existing policy. You have a responsibility to make sure that your client has all of the necessary facts (advantages & disadvantages) in order to determine if the replacement is in his/her best interest. Replacements (both external & internal) should not be done if it is not in your client's best interest, both short and long term. For a list of factors to consider before recommending a replacement & other guidelines, please refer to the company's "Compliance Guidelines" manual found on our website. Applications involving replacement sales are monitored on a daily basis. If a trend of multiple replacements or a pattern of improper replacements is noticed, we may take appropriate disciplinary action to include termination of an agent's contract.
- **Mortgage Requirement** – To be eligible for this plan, a current mortgage is required regardless of the date originally taken or refinanced. If either of the following potential applicants is on the mortgage, or deed of trust, both may apply. Domestic partners, common law couples, significant others, and engaged couples may be eligible if both have lived in the home to which the mortgage applies for a minimum of 3 months, share in the economy of that home and a loss of either would create a financial hardship on the other. A single parent with a grown child/children living at home do not fit our definition of a couple. As part of this requirement, Section D of the application "Complete Mortgage and Employment Information" must be completed.
- **Applicants Re-applying for Coverage** – A new application will not be processed if the Proposed Insured has had 2 policies with any of our companies within the previous 12 months, or had 3 or more policies in the past 5 years, which have lapsed, been made not taken, surrendered, or cancelled. This applies regardless of the plan(s) which have previously been written or who the writing agent may have been on the previous policies.
- **Application Date/Requested Policy Date** – The application date should always be the date the Proposed Insured answered all the medical questions and signed the application. The Requested Policy Date cannot be more than 30 days out from the date the application was signed.
- All changes must be crossed out and initialed by Proposed Insured. No white outs or erasures are permitted on the application.
- **Telephone Interview** – check box YES or NO (if applicable) as to whether or not a telephone interview was completed at point-of-sale. Refer to the Non-Med Limits chart in this guide to determine if a Point-of-Sale interview is required.
- **Third Party Payor** – The Company has experienced problems in terms of anti-selection, adverse claims experience and persistency on applications involving "Third Party Payors". This is defined as a premium payor other than the primary insured, the spouse, business or business partner (regardless of the mode of payment). Examples of "Third Party Payors" include brothers, sisters, in-laws, parents, grandparents, aunts, uncles, and cousins. As a result of the issues related to this situation, we **DO NOT** accept Home Protector applications where a Third Party Payor is involved.
- If the Proposed Insured answers YES to any questions, the applicable condition should be circled, personal physician information should always be completed and list current prescription medications.
- If the Proposed Insured has a condition which is listed in the "Medical Impairment Guide" as a "Decline" or if he or she exceeds either the Maximum or Minimum weight in the "Build Chart" provided in this guide, the application should not be submitted to the Home Office.
- **Applications in the State of Pennsylvania** – Disclosure Statement Form No. 8644-PA must be completed and presented to the client in conjunction with each application. One copy of the form is left with the client and another copy is sent to the Home Office along with the life application.
- Monthly Direct Bill is not an acceptable payment option for this plan.
- **Applications in the State of California** – Notice of Lapse designee Form No. 3011 must be completed and sent to the Home Office along with the life application.
- **Applications in the State of Kansas:**
 - Due to state's replacement regulations, we will not accept new applications in this state when a replacement sale is involved.
 - Conditional Receipt Form No. 9713-KS must be completed and submitted with the application if the mode of payment is bank draft.
- **Applications in the State of Kentucky:**
 - Due to state's replacement regulations, we will not accept new applications in this state when a replacement sale is involved.

- **Request for Re-dates and/or Reinstatements:**

It is often easier and in the best interests of your clients to request that a policy be re-dated or reinstated rather than completing a new application. Below are the company guidelines to follow:

- **Re-date and Reinstatement Request*:**

- If the request is being made within 60 days of the policy date:
 - A policy can be re-dated simply by sending an email request to our Policyholder Service Department. These requests can be sent to Sherri Hall at shall@aatx.com.
 - There is no additional paperwork necessary.
 - * A policy can be re-dated ONE time only.

- **Reinstatement Requests Only**:**

- If the policy lapse has occurred 60 days after the policy date & within the first policy year:
 - We require both a "Statement of Health" (Form No. 1110) & HIPPA (Form No. 9526) be to completed.
 - In addition, a new bank authorization (Form No. 1963) is required if payments will be made via bank draft. Or we would require the back premiums due if the payments will be made on direct bill.
 - The documents above should be faxed to Policyholder Service at (254) 297-2167.
 - As an alternative a new application can completed and submitted with "Reinstatement" and the policy number indicated at the top. These should also be faxed to Policyholder Service at (254) 297-2167.
- If the policy lapse occurred more than one year after the policy date:
 - We require a new application to be completed and submitted to the New Business Department at **fax # (254) 297-2101**.
 - Make sure to send a note with the application indicating this is a "Reinstatement" & indicate the original policy number.

** Upon request we will review these on a case by case basis to see if they can be considered for a re-date & reinstate.

TELEPHONE INTERVIEW

A telephone interview conducted with the Proposed Insured and/or Spouse (if applying for Spouse coverage) may be required based on the Non-Med Limit Chart on the following page. If an interview is required, it may be completed at point-of-sale.

After fully completing the application you may call from the client's home for the personal history telephone interview. The interview is designed to confirm the answers given on the application. The interview can be completed in either of 2 ways:

- 1) at point-of-sale, or
- 2) the interview company will contact the Proposed Insured after receipt of the application by the Home Office.

Point-of-sale telephone interviews can be completed by calling at the toll free number below. When calling the vendor be sure to identify yourself, Company and product being applied for "Home Protector", and indicate if an interview on the spouse is necessary. The applicant must always complete the telephone interview without assistance from the agent or another person. If the interview is completed at point-of-sale, mark the "Telephone Interview Done" question "Yes" in the upper, right hand corner of the application. If the sale is made outside of the vendor's hours of operation or if the interview is not completed at point-of-sale, mark the question "NO" and the interview company will initiate the call after receipt of the application.

BANK DRAFT PROCEDURES

Draft First Premium Once Policy is Approved:

- 1) Complete a Bank Draft Authorization found at the top of Form No. 9903 and send in with the application. Please specify a Requested Draft Date, if a specific one is desired.
 - (a) Once the application is approved, the first premium will be drafted upon the date specified. Or if no date is specified, the draft will occur on the day the policy is approved.
 - (b) The initial draft cannot occur more than 30 days after the date the application was signed.
 - (c) Drafts cannot be on the 29th, 30th or 31st of the month.
- 2) A copy of a void check or deposit slip should accompany the application any time that one is available. If one is not available, then we highly recommend that you also complete the Bank Account Verification section of Form 9903 and submit it along with the application. This helps to ensure the accuracy of the account information and reduces the occurrences of returned drafts. (If a client only uses a debit or check card instead of actual checks, locate a bank statement to obtain the actual account number. DO NOT use the number found on the card.)

Immediate Draft for Cash with Application (CWA) using E-Check:

- 1) To bind coverage IMMEDIATELY, you may use the E-Check option. If this option is selected, you must complete the E-Check section of Form 9903 in addition to items 1 & 2 listed above.
 - (a) The E-Check section of form 9903 (found at the bottom of the form) authorizes the Company to immediately draft for the 1st premium upon receipt of the application. Submit this form along with the application.
 - (b) When the application is approved, the initial premium will be applied to pay the first premium. Future drafts will be based on the next premium due date and the requested draft day (if one is provided).

SPEED UP YOUR TURNAROUND TIME! Practice these simple guidelines

The HOME PROTECTOR plan is issued Standard for applicants who would normally be considered up to table 4 by most underwriting standards today. Applicants who are considered high risk or declinable should not be sent to our Company for consideration.

BEFORE asking any health questions stress the importance for 'truthful and complete' answers, including tobacco usage that will 'match' information already in the applicant's medical records, national prescription database, MIB, etc.

If applicant answers "YES" to any health question, such as High Blood Pressure, Cholesterol or Diabetes get full details. Ask the following information: age at onset, name all medications, applicant's last reading and how often is the problem checked, name of doctor treating condition, date last seen, etc. THE MORE COMPLETE INFORMATION you can provide on the application significantly REDUCES the need to order medical records or an interview ...and speeds up issue time!

PRACTICE GOOD FIELD UNDERWRITING OR...

An agent with a history of submitting applications with Non-Admitted medical information will likely receive special attention when their applications are reviewed by the Underwriting Department. That agent's applicants will receive a phone interview and/or medical records will be requested until the underwriters believe that agent has corrected their field underwriting problems.

Agents need to stress to the Proposed Insured the necessity for complete and truthful answers to all questions on the application before asking the health questions, including tobacco use.

HOME PROTECTOR MEDICAL IMPAIRMENT GUIDE

Underwriters will try to evaluate the risk as quickly as possible, so the following factors are essential:

- Good Field Underwriting – Carefully ask all of the application questions and accurately record the answers.
- Client Honesty and Cooperation – Underwriting relies heavily on the application; therefore, complete and thorough answers to the questions are necessary. Please stress this and prepare the Proposed Insured for an interview, if required based on age and face amount. The interview will be brief, pleasant, and professionally handled.

The Medical Impairment Guide has been developed to assist you in determining a Proposed Insured's insurability. This Guide is not all-inclusive. Underwriting reserves the right to make a final decision based on all factors of the risk. If you have any questions about medical conditions not listed here, please call or email (underwriting@aatx.com) the Underwriting Department.
