REPLACEMENT REGULATIONS

THESE REGULATIONS AFFECT EVERY APPLICATION TAKEN WHETHER OR NOT A REPLACEMENT IS INVOLVED. You will need to follow the procedures below when taking and submitting applications. **THESE REGULATIONS APPLY TO BOTH INTERNAL AND EXTERNAL REPLACEMENTS.**

If you are not using a revised application that has the question ‘Do you have existing life insurance or annuities?’, you must use Form 9395. Revised applications are available for printing from the web site and from the supply department.

If the applicant states that there is no existing life insurance or annuity policy, proceed to completing the application.

If there **IS** an existing life insurance or annuity policy in force, Form 9396 must be used regardless of whether or not a replacement is involved. The form must be read aloud unless the applicant indicates by initialing the form in the appropriate area that he or she does not want it read aloud.

If one or both of the replacement questions are answered “yes”, be sure to list those policies being replaced or financed by the proposed policy on Form 9396.

If any policies are being replaced, you must leave the applicant a copy of all sales material used in your presentation of the proposed policy. In addition, a copy of any electronically presented company approved sales material must be provided to the policy or contract owner in printed form no later than at the delivery of the policy.

Complete and sign Form 9397 confirming that copies of all sales materials were left with the applicant.

Additionally, if any policies are being replaced, Form 9856-AR, Life Insurance and Annuities Replacement Memorandum, must be completed and included with the application. Complete all sections that are applicable.

Please note that in accordance with the regulations, we will contact the applicant to confirm that you did leave copies of all sales material.

The company does not encourage replacement of existing life insurance policies or annuities. Be sure that any replacement is in the best interest of the applicant. Failure to comply with the regulations could result in the revocation or suspension of the company or agent’s license, monetary fines and forfeiture of commissions.

For the purposes of the new regulation:

A “replacement” is defined as a transaction in which a new policy or contract is to be purchased, and it is known or should be known to the proposing producer that by reason of the transaction, an existing policy or contract has been or is to be:

1. Lapsed, forfeited, surrendered or partially surrendered, to the replacing insurer, or otherwise terminated;
2. Converted to reduced paid up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values;
3. Amended so as to effect either a reduction in benefits or in the term for which coverage would otherwise remain in force or for which benefits would be paid;
4. Reissued with any reduction in cash value; or
5. Used in a financed purchase.

A “financed purchase” is the purchase of a new policy involving the actual or intended use of funds obtained by the withdrawal or surrender of, or by borrowing from values of an existing policy to pay all or part of any premium due on the new policy. For purposes of a regulatory review of an individual transaction only, if a withdrawal, surrender, or borrowing involving the policy values of an existing policy is used to pay premiums on a new policy owned by the same policyholder and issued by the same company within four (4) months before or thirteen (13) months after the effective date of the new policy, it shall be deemed prima facie evidence of the policyholder’s intent to finance the purchase of the new policy with existing values.

We suggest that you view the entire replacement regulation on your state’s department of insurance web site.

The new replacement forms are available for printing from the Marketing Sales area (Supply Requisition/Product Material, All Supplies, Replacement Forms) of the web site. The forms can also be ordered from the supply department. For your convenience in determining the order of usage of the forms, alpha characters A, B or C are located in the upper right hand corner of each form.

**IMPORTANT NOTICE
REPLACEMENT OF LIFE INSURANCE OR ANNUITIES**

Note-This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing life insurance policy or annuity contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A *replacement* occurs when a new life insurance policy or annuity contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing life insurance policy or annuity contract, or an existing life insurance policy or annuity contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A *financed purchase* occurs when the purchase of a new life insurance policy or annuity contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing life insurance policy or annuity contract to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your life insurance policy or annuity contract. You may be able to make changes to your existing life insurance policy or annuity contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing life insurance policy or annuity contract? _____YES _____NO
2. Are you considering using funds from your existing life insurance policy or annuity contract to pay premiums due on the new life insurance policy or annuity contract? _____YES _____NO

If you answered "yes" to either of the above questions, list each existing life insurance policy or annuity contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the life insurance policy or annuity contract number if available) and whether each life insurance policy or annuity contract will be replaced or used as a source of financing:

	INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.				
2.				
3.				

Make sure you know the facts. Contact your existing company or its agent for information about the old life insurance policy or annuity contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing life insurance policy or annuity contract is being replaced because _____

I certify that the responses herein are, to the best of my knowledge, accurate:

Applicant's Signature and Date

Insurance Producer's Signature and Date

Applicant's Printed Name

Insurance Producer's Printed Name

I do not want this notice read aloud to me. _____(Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing life insurance policy or annuity contract and the proposed life insurance policy or annuity contract. One way to do this is to ask the company or agent that sold you your existing life insurance policy or annuity contract to provide you with information concerning your existing life insurance policy or annuity contract. This may include an illustration of how your existing life insurance policy or annuity contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your insurance producer/agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

- Are they affordable? You're older—are premiums higher for the proposed new policy?
- Could they change? How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable “grandfathered” treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

A *financed purchase* occurs when the purchase of a new life insurance policy or annuity contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing life insurance policy or annuity contract to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your life insurance policy or annuity contract. You may be able to make changes to your existing life insurance policy or annuity contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing life insurance policy or annuity contract? _____YES _____NO
2. Are you considering using funds from your existing life insurance policy or annuity contract to pay premiums due on the new life insurance policy or annuity contract? _____YES _____NO

If you answered "yes" to either of the above questions, list each existing life insurance policy or annuity contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the life insurance policy or annuity contract number if available) and whether each life insurance policy or annuity contract will be replaced or used as a source of financing:

	INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.				
2.				
3.				

Make sure you know the facts. Contact your existing company or its agent for information about the old life insurance policy or annuity contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing life insurance policy or annuity contract is being replaced because_____

I certify that the responses herein are, to the best of my knowledge, accurate:

Insurance Producer's Signature and Date

Applicant's Printed Name

Insurance Producer's Printed Name

I do not want this notice read aloud to me. _____(Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing life insurance policy or annuity contract and the proposed life insurance policy or annuity contract. One way to do this is to ask the company or agent that sold you your existing life insurance policy or annuity contract to provide you with information concerning your existing life insurance policy or annuity contract. This may include an illustration of how your existing life insurance policy or annuity contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your insurance producer/agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

- Are they affordable? You're older—are premiums higher for the proposed new policy?
- Could they change? How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

DISCLOSURE STATEMENT

ACCELERATED BENEFITS RIDER - CONFINED CARE

TAX IMPLICATIONS. The acceleration-of-life-insurance benefits offered under this Rider may or may not qualify for favorable tax treatment under the Internal Revenue Code of 1986. Whether such benefits qualify depends on factors such as your life expectancy at the time benefits are accelerated or whether you use the benefits to pay for necessary long term care expenses, such as nursing home care. If the acceleration-of-life-insurance benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. Tax laws relating to acceleration-of-life-insurance benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive acceleration-of-life-insurance benefits excludable from income under federal law.

Receipt of acceleration-of-life-insurance benefits may affect your, your spouse or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect you, your spouse and your family's eligibility for public assistance.

The Rider provides early (pre-death) payments of life insurance proceeds if the Insured is receiving Confined Care as defined in the Accelerated Benefits Rider - Confined Care. Benefits are only paid at the Owner's option and request. The terms and conditions are detailed in the Rider. **THE RIDER IS NOT INTENDED TO PROVIDE HEALTH INSURANCE, NURSING HOME INSURANCE OR LONG TERM CARE INSURANCE. IT MAY NOT COVER ALL NURSING HOME EXPENSES. IT DOES NOT COVER HOME CARE OR ADULT DAY CARE SERVICES.**

Cash values (if any), loan values (if any), the associated premium and death benefit under the life insurance policy to which the Rider is attached will be reduced if an accelerated benefit is paid. There is no premium or administrative fee for this Rider.
